Pavement Repairs, Lane Closures in South Cook County

CHICAGO - The Illinois Department of Transportation announced that 16 pavement patching projects at various locations in south Cook County are scheduled to begin, weather permitting, this week.

The improvements consist of intermittent pavement repairs at each location for several days at a time. The projects could require reducing the roadway to a single lane of traffic, with flaggers present during the daytime hours where construction is taking place.

Repairs will be done at the following locations:

- 147th Street, Oak Park Avenue to Cicero Avenue
- Illinois 83, Ridgeland Avenue to Southwest Highway
- Illinois 171, south of 104th Avenue to 107th Street
- Harlem Avenue, 163rd Street to 183rd Street
- Main Street/111th Street, west and east of Archer Avenue
- Archer Avenue, Bell Road to Old Bell Road
- Eastbound 127th Street, Pulaski Avenue to Kedzie Avenue
- 159th Street, 94th Avenue to Ridgeland Avenue
- Southbound Cicero Avenue, Midlothian Turnpike to 147th Street
- Wolf Road, 153rd Street to 183rd Street
- LaGrange Road, 111th Street to Illinois 83
- Thornton Lansing Road/Margaret Street, Schwab Street to Torrence Avenue
- U.S. 30, Halsted Street to State Street
- 142nd Street/ Main Street/Dolton Avenue, Indiana Avenue to Interstate 94
- Cottage Grove Avenue, Illinois 83/Sibley Boulevard to 154th Street
- East 26th Street, East End Avenue to State Street

Motorists can expect delays during times when the lane closures are in effect and should

allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits, and be on the alert for workers and equipment.

The tentative completion date for all of the locations is Oct. 6.

Iroquois Paving Corp., of Watseka, is the prime contractor on the \$684,543 project.
